## Sequoits Dehorn Rams In Homecoming 20 - 2; Fenton Here Saturday

### Antioch Hits Stride in Handing Grayslake First Defeat of '56

The Antioch football team did just what it planned to do Saturday—it beat the Grayslake Rams 20 to 2 before a Homecoming crowd at Grayslake.

The defeat pulled the platform from under the conference leading undefeated Rams and served notice that the Sequoits are coming into their own as one of the two best teams in the conference. Undefeated Glenbrook is the other.

"We began to jell at Palatine, and played top ball Saturday," said Coach Paul Kessenich. "I'm hoping the boys won't become too confident in their game with Fenton here Saturday evening, for despite the fact that Fenton has had three defeats and two tied games, that team has some good players and if they start jelling they will give a good account of themselves."

The Sequoits practically won the Grayslake game in the first half. Although the first quarter went scoreless, Antioch scored twice in the second period for a 13-0 half time lead.

### Two TD's in Second Quarter

The first touchdown drive started on the Antioch 47 and featured a 33-yard passing play from Earl Deppe to Lonnie Christiansen which carried the ball to the 20 yard line. Five plays later Dick Sch went over from the 2-yard line. He kicked the extra point.

Late in the period Antioch recovered a Grayslake fumble on the Antioch 38-yard line and checked a Ram offense. A 40-yard pass from

## Fred C. Paasch, 61 Resident Of Wilmot To Be Buried Friday

Fred C. Paasch, 61, of Wilmot, Wis., died at 10:30 p.m. Tuesday at the Woods Veterans Administration hospital in Milwaukee following an illness of seven months.

Mr. Paasch was born Aug. 10, 1895 in Bristol, Wis., and lived in Kenosha County all of his life around Bristol and Salem. He was a member of the Peace Evangelical Lutheran Church at Wilmot, and Semrau-Scott, Post 361, American Legion, at Wilmot. He served in World War I.

A sheet metal worker by trade, he was employed several years by the Carey Electric and Plumbing shop in Antioch.

Surviving are the widow, Elsie, two daughters, Mrs. Ramona Crandall, Antioch; and Miss Jane Paasch, Wilmot; four brothers, William, of Bristol township, John of Salem, Wis., Harry of Bristol, and Herman of Silver Lake; three sisters, Mrs. Lena Huffman of Mather, Wis., Mrs. Vera Babor of Antioch, and Mrs. Leta White of Russell, Ill.; and two grandchildren.

The funeral service will be held at 2 p.m. CST tomorrow (Friday) at the Peace Evangelical Lutheran Church with the Rev. R. P. Otto officiating. Burial will be at the Hosmer cemetery at Bristol.

Friends may call after 2 p.m. today at the Strang Funeral home in Antioch. The body will rest at the church after 1 p.m. tomorrow until the time of the funeral.

## Three Teenagers Admit Series of Local Thefts

Three Antioch township teenagers are facing burglary charges growing out of a series of thefts and breakins.

They are Daniel Andre, 17, of Petite Lake Park, Raymond Wehrs, also of Petite Lake, and Wayne Morgan, 16, of rural Antioch. Their bonds have been placed at \$3,500 each.

The three said their spree included the theft of two cases of whiskey and two cases of beer from Prenger's Resort at Grass Lake. All but five bottles hid in a duck blind at Petite Lake were recovered.

Next they said they stole a boat motor from the Indian Point Rod and Gun Club and then dumped the motor into the lake when they decided it was no good. Then they looted the D-X Service station in Grass Lake rd, where they took tools, motor oil, and anti-freeze.

In addition they admitted stealing a boat motor from the Little America resort on Grass Lake, and money from Bill Yucus' Service station at Loon Lake.

## Antioch Masons Honor Past Masters at Dinner

Sequoit Lodge No. 827, Ancient Free and Accepted Masons observed past masters night Saturday at the Masonic temple in Antioch.

Twenty past masters were among the 65 persons present. E. Elmer Brook was the oldest past master in point of years served among the 20.

The Rev. Edmond Hood, rector of St. Ignatius Episcopal church was the main speaker. His subject was "Youth and the Nation."

The chicken dinner was served by members of the Order of Eastern Star.

## Juniors Will Present "Night of January 16" On November 9 and 10

With announcement of the cast, rehearsals have started and construction of settings begun for the A.T.H.S. junior class play "Night of January 16th," which will be presented November 9 and 10.

Miss Patricia Howard, member of the faculty, is coaching the play. Strictly speaking, this is a play without a heroine, but Karen Renner has been chosen for the leading feminine part, that of Karen Andre, defendant in the murder trial. Nor has the play a hero, but the principal male role is that of the prosecuting attorney, a role that will be taken by James Burke. Seventeen others will help support them.

Twelve important members of the cast remain to be chosen, but they, fortunately, need no rehearsals, and will not be selected until the night of the performance. They are members of the jury who will listen to the evidence and render a verdict.

As they get their seats at the box office, patrons may leave their names as candidates for jury duty. On the evening of the performance, these names are given to the clerk of the court who places them in a drum and the 12 drawn by lot will serve.

Tickets for the play may be purchased from the salesmanship class, cast members, Junior class members, or at the box office.

## Joseph J. Lacina, 60, Dies of Heart Attack

Joseph J. Lacina, 60, passed away at 6:15 Sunday at his home on the North Shore of Loon Lake, suddenly of a heart attack. He was born March 3, 1896 in Bohemia. He came to America in 1907, living in Chicago and Cicero before moving to Antioch five years ago. He was a member of Sequoit Lodge No. 827 A. F. & A. M. of Antioch, member of the International Ladies Garment Union No. 81, and the North Shore Improvement association. He was united in marriage with Mary Kasmata, November 24, 1925 in Chicago. He was employed as a dress cutter with the Brown Dress Company of Chicago. Survivors are his wife Mary, a daughter, Mrs. Lillian Golonka, a brother John J. Lacina and sister Mrs. Louise Vanderheide of Antioch.

Funeral services were held at 2 p.m. Wednesday at 5842 Cermak Road, Cicero. Interment was in Bohemian National Cemetery. Masonic services were held at 8 p.m. Monday evening at the Strang Funeral Home.

## Maseks Receive Citation

Laddie Masek of Masek Standard Service, North Ave. and Main, Antioch, Illinois, received a plaque on behalf of his father, Thomas, for "long-time service to the American motorist." In awarding the plaque, R. F. Emmons, Assistant Manager of Standard Oil said, "It is fitting that the Maseks be recognized for their 31 years of service during Oil Progress Week. The competition that spurs these dealers to render better services and the industry to make better products characterizes the most competitive industry in America. It means better living for all of us."

## Man Struck By Bullet Injured In Car Crash On Way To Hospital

Misfortune came doubly Monday for Ralph McCrary, 22, of R. F. D. 1, Salem, Wis.

While he was working for Earl Tory, putting siding on a house at Paddock Lake, a stray .22 calibre rifle bullet struck him in the forehead.

He walked to the office of Dr. Frank Erdlitz in Salem where the bullet was removed by the physician. Dr. Erdlitz decided he should have hospital care so he placed McCrary in his car and started out on Rte. 43 for St. Catherine hospital, Kenosha.

At the intersection of Rte. 41, Dr. Erdlitz spotted a state patrol car north of the intersection. Seeking an escort, he turned left and his car was struck by a westbound car driven by Russell Pisle, 28, of Mason City, Iowa.

The Erdlitz car was smashed and as the result the doctor joined his patients at the hospital, both suffering bruises. Pisle did not need hospitalization.

Police have not learned who fired the shot that struck McCrary.

## Stratton To Push Development Of The Fox River Waterway

### Proposed Improvement Will Provide Boater's Paradise

Gov. William G. Stratton today called upon the Department of Public Works and Buildings through its Division of Waterways to proceed with plans for recreational development of Fox river from the McHenry dam to Ottawa with special emphasis on low level dams creating a waterway for small boats between the Chain O'Lakes and the Illinois Waterway.

Governor Stratton also asked the Department of Conservation to co-operate in the development which he expects to include numerous access areas vital in meeting the growing recreational needs of northern Illinois.

Directors Edwin A. Rosenstone and Glen D. Palmer were advised by the Governor that he wants a complete report of the expanded needs and estimated cost as quickly as possible.

"The need for improved and expanded recreational facilities is growing constantly at the metropolitan area spreads further into the country," Governor Stratton declared.

The Governor pointed out that the number of small boat owners is expanding at an accelerated speed—sometimes doubling in a single year—and that these people must be given space for operation of their craft, just as more highways must be provided for the growing number of automobiles.

Thomas B. Casey, chief engineer of the Division of Waterways, Department of Public Works and Buildings, said that existing plans include provision for 16 new low level dams designed to provide a 4-foot channel between McHenry and Yorkville. The program also includes rehabilitation of several existing dams, removal of seven obsolete dams and the building of locks at all of the structures.

## Vote "NO" on Special County Health Tax

The November 6th election will present a proposal to set up a County Health Department, with power to tax to 5c per \$100 of assessed valuation. This would cost the owner of a \$10,000 home about \$5.00 annually and would provide, with state aid, about one-half million dollars per year.

Proponents of the Department have waged a vigorous campaign, circulating material which would lead the voter to believe that establishment of a County Health Department would cure all the health ills of the county, along with a complete solution of the sewage disposal problem and pollution of our lakes.

Nothing could be farther from the truth!

Experience with County Health departments already established has shown that NONE of these things can be done. The laws which allow establishment of such departments do not provide enforcement methods of Health Department recommendations. AND IT IS TRUE THAT THE ONLY POWER OF SUCH A HEALTH DEPARTMENT IS TO RECOMMEND ACTION, there is no power provided for ACTION in the Health Department Act.

The Lake County Civic League has circulated the following information in connection with the referendum:

"The proposal to create another taxing body, levying a new tax, to the already swollen list of more than 150 taxing bodies in this county does not meet with the approval of the League's Board of Directors. The League is recommending a "NO" vote to its members on this issue.

### OUR PRESSING PUBLIC HEALTH PROBLEM

"The League is taking this action because the proposed County Health Department would be completely inadequate to deal with Lake County's number one health problem—effective sewage treatment in the western part of the county.

"A County Health Department would have no enforcement powers not now possessed by county and local government. What is really needed to solve the problem of pollution in Lake County is a Sanitary District or Districts, or a River Conservancy District which could build sanitary treatment plant, trunk sewers, provide an adequate water supply, and do something practical about the problem.

### CO. HEALTH DEPARTMENT DOESN'T SOLVE THE PROBLEM

"DuPage County, located west of Chicago, and also suffering from pollution problems in a rapidly developing area, has had a County Health Department for 10 years. After 10 years of struggling with pollution problems the Annual Report of the DuPage County Health Department for 1954-55 makes this frank revelation.

"But there has been no progress in the area of disposal of human wastes. Although there has been some rehabilitation of existing municipal sewage systems, there is more stream pollution and land pollution now than in 1945. Population growth has outmoded the usage of private septic systems in all of the eastern half of the county and in many areas of the western half. Not one new sanitary district has been created in the past ten years in spite of more than double population. So important is this problem that it outweighs much of the achievement noted above. Perhaps in a sense we should rather label this report "Decade of Delay" than one of progress.

"This startling admission of defeat came even though in 1954-55 the DuPage Health Department spent 1/3 of its income on sanitation.

"The fault lies not in the people connected with the DuPage Health Department but with the inadequacy of the Health Department act. If the County Health Department tax were to pass in Lake County we could expect nothing better for our taxes than DuPage is getting."

For these reasons we recommend that you vote "NO" on the County Health Department referendum Tuesday, November 6.

## Salem Central to Play Port Washington Under Lights on Own Field

Salem Central won at Menomonee Falls 20 to 13 Friday night and are still strong contenders in the Braveland Conference race although they lost to Watertown earlier in the season.

The Falcons will be host to Port Washington tomorrow night (Friday), under the new lights at Salem Central field. It will be the first night game for the Falcons at home. Port Washington has lost three conference games so far.

Menomonee threw a scare into the Falcons when they marched 80 yards for a touchdown and kicked the extra point.

Central came back strong, however, and a 69-yard drive which included a 43-yard run by Art Perry, took the ball to the Menomonee 10. Vince Getka flipped a pass to Tom Thomas for the TD and Perry plunged for the extra point. The quarter ended 7-all.

Early in the second quarter Menomonee gambled on a fourth down and lost, giving the ball to Salem Central in midfield. On the third play, Dick Weber ran 40 yards for a touchdown, when quarterback Getka's fake completely fooled the defense.

The next three times the Falcons got the ball their passes were intercepted. One of them resulted in a Menomonee touchdown. When in the third quarter Falls fumbled a punt, Salem Central recovered the ball on the Indians 31-yard line and seven plays later Jim Cameron scored. Schroeder race around end for the extra point, bringing the score to 20-13 in the fourth quarter. The Falcons controlled the ball thereafter.

Coach Cliff Peterson said that fullback Art Perry, a junior, played one of his best games, carrying the ball 20 times for an average of 6 yards per try.

## Furnishings Damaged By Fire Monday Night At St. Peter Rectory

Damage to a chair, carpet and lamp was done by fire at St. Peter's rectory about 10 p.m. Monday.

Antioch firemen said the cause of the blaze is not known.

The Rev. Alfred J. Henderson and his assistant, Fr. Johnson, in another part of the rectory smelled smoke and discovered it pouring from a cushion on a chair in the living room.

Fr. Johnson called the fire department, and as the fire was burning slowly in the chair and carpet, it was extinguished quickly without further damage.

The Antioch Rescue squad also responded to the call, and while the clergymen inhaled much smoke, they were not ill.

A grass fire Sunday night at the Bowles subdivision was the only other call up to Tuesday evening.

## Channel Lake Board Buys Additional Land

The Channel Lake school board has purchased the Konowicz property adjoining the school grounds to provide additional space for a septic system and a playground area. The purchase price for the land and two summer cottages was slightly in excess of \$10,300. Through sealed bids the houses were sold for \$125 and \$175 to H. S. Palinski who has had them moved last Friday to Sex's subdivision on Lake Ave.

### CHANGE CLOCKS SATURDAY NIGHT

That alarm clock won't go off so early Sunday if you live in Illinois and remember Saturday night to set it back an hour. It's the Antioch area's annual fall change back to standard time from daylight savings time. The extra hour of sleep will make up for the one lost last spring when the clocks were set ahead.

## Grade School Children To Parade In Costume Wednesday Afternoon

### Antioch News and School to Award Prizes for Best Costumes

To lively tunes of the school band, the goblins, witches and other strange characters in costume will parade the streets of Antioch next Wednesday afternoon in celebration of Halloween.

Children from the first to the sixth grades inclusive will leave the school at 12:45 p.m. and move south on Main St. to Lake St. and then double back to the school building to show the public their costumes.

Antioch police will provide an escort in handling traffic for the safety of the children.

Back at the school they will assemble by rooms on the stage of the gymnasium where first and second prizes will be awarded by the Antioch News and grade school officials. Judging will be entirely by rooms this year and the boys and girls will compete.

A feature of the entertainment this year will be the appearance of Ed Meekin of Chicago, a professional clown and character actor who is expected to make a big hit with the children. Meekin has appeared on television and in movies and will be readily recognized by the youngsters.

Meekin will serve as master of ceremonies and give out the prizes.

Serving as judges of costumes will be Mesdames John Horan, Joseph Patrovsky, Sr., and Donald R. Gaston.

A treat will be given the children and they will then return to (continued on page 7)

## Wilmot Beats Delavan 14-7 for League Tie Play Mukwonago Next

Wilmot Panthers tumbled Delavan from its unbeaten status Friday 14 to 7, and moved into a tie for second place with that team in Southern Lakes standings with five victories and one defeat.

Unbeaten Whitewater continues to lead the league.

The Panthers will travel to Mukwonago Friday to take on that fourth-place team which has won three and lost two.

Wilmot drew first blood in the game with Delavan. The Panthers in the first quarter carried the ball 55 yards on rushing with Bill Haase, fullback carrying the ball over. He also kicked the extra point.

The score at the half was Wilmot 7, Delavan 0.

The home team came back strong, however, in the third quarter, and after a 60-yard drive, Dave Evans ran 16 yards for a touchdown. Ernie Miller kicked the extra point and the game stood a tie.

It appeared that the teams would have to settle for a tie when in the last 16 seconds of play, Dick Timmer, Panther quarterback tossed a 20-yard pass to Jerry Shilz, end, who ran for the touchdown. Haase kicked the extra point. A few seconds later the final gun sounded.

## Two Hundred-Four Local Boys Are In Scouting Program

"I want to be a Cub Scout or Boy Scout". This is the request made by hundreds of boys at this time of the year in the communities served by the North Shore Area Council.

Parents who would like their sons to participate in the Scouting Program may contact local Scout leaders or receive information regarding the location of local Packs and Troops by contacting the Council Office at 1811 St. Johns Avenue, Highland Park, or telephoning ID 2-6220.

Mr. Paul Hakanen, chairman of the North Shore Area Council's Organization and Extension Committee said, "There is every indication that the Council will achieve a record membership by the end of the year. The Council projects a total boy membership of more than 8,200 boys in 195 Packs, Troops, and Posts, with more than 2,700 volunteer adults serving in various leadership capacities. This total of over 11,000 boys and men compares with 9,000 registered at the end of 1955, or a gain of 11% for the year. In our Council over 48% of all boys between the ages of 8 and 16 inclusive are registered members. This represents one of the top records in the entire country."

In the Antioch area the membership is 204 boys in 6 Scouting Units with 66 adults serving as volunteers.

## GRASSROOTS OPINION

**SANTA PAULA, CALIF., DAILY CHRONICLE:** "The round of labor strikes, settled invariably by granting higher wages, in several major industries has only fed inflation. . . . The big steel strike laid the foundation, as predicted, and with its settlement, new price increases in iron and steel products were immediately announced. Aluminum followed steel, with more increased prices. There is no known way yet devised to increase costs without price increases, so we travel in a circle."

**JUNCTION CITY, OREGON, TIMES:** "Voting is more than just a privilege to our citizens—it's a duty and an obligation. And that's something to remember in these coming pre-election days. As individuals, we don't owe anything to these politicians—our obligation is to secure the highest type of good government, at local, state and national level."

**JEFFERSONTOWN, KY., JEFFERSONIAN:** "Men and women willing to stem the tide of overspending should not only be encouraged to run for public office, but should be militantly supported once they decide to make the sacrifice. And a sacrifice is what it really means, to oppose well organized pressure groups that are willing to make demands for legislation for their benefit at the expense of the general taxpaying public."

**DUBLIN, GA., COURIER-HERALD:** "Perhaps governments should not be operated as a business, but there are certain principles of economics that ought to be considered in the operation of any division of government. One principle is that when the outgo exceeds the income, something serious is bound to happen."

## WHILE THE FARMER EATS DINNER

The Chappell, Nebraska, Register has summed up the essence of the agricultural revolution in a very few words: "It takes a farmer about 45 minutes to eat his dinner. But in the meantime there'll be 337 more people born, 337 more mouths for America's farmers to feed. And there are 2,000,000 fewer farmers today to do that job than there were 10

years ago. But they will do it by using machines that save billions of man hours a year. So don't worry, you hearty eaters, the Battle of the Bulging Waistline must continue.

The farm equipment industry, which produces all the marvelous machines that have transformed the job of farming, is highly competitive. The machines get steadily better, as each producer tries to offer a line that will prove more attractive to farmers. They do more work, do it with less maintenance, and do it at a lower cost in time and money.

At present, of course, we have a vexing farm surplus problem. Output of certain basic crops is and has been larger than the market can absorb. But taking the long-range view, this will in all likelihood be a temporary problem. Our rising population, in other words—coupled with the possibility of increased farm exports to other parts of the world—will solve it. We will have to supply many millions more people with food and fiber from an agricultural acreage which is virtually fixed, and which may substantially diminish. The machine will be even more essential in the future than it is now.

## CENTER OF POWER

Politically speaking, how important are the smaller communities of the nation—those with less than 25,000 population?

Town Journal, working from the best available data, has provided the answer.

Small-town and farm residents hold a clear voting majority in 42 of the 48 states. They control 84 of the 96 U. S. Senate seats—and dominate 275 of the 435 Congressional districts. And—of very great political importance under the rules that govern our congress—they elect 18 of the 19 Senate committee chairmen and 15 of the 20 House committee chairmen.

The grass-roots is the center of power in this republic.

## SMALL BUSINESS GROWN BIG

Thurman Sensing of the Southern States Industrial Council writes: "Big business is small business grown big through the willingness of millions of small investors to risk the money they have earned and saved in buying shares in the business in the hope they will get a dividend therefor. According to a recent report there are almost 9 million individual shareholders of stock in publicly owned corporations. Also, there are at least 100 million individuals who own life insurance policies and 30 million individuals who have savings accounts—all of whom have a direct interest in the success of American business."

The best government policy for small business is that which is friendly to all business—and which keeps the door open for any business to grow and prosper.

## Tax Facts

The Yankees won the World Series, but Uncle Sam won his share of the "take" from the Yankee players, according to an example of the National Association of Manufacturers released today by the Taxpayers' Federation of Illinois.

The World Series "cut" for each member of the winning team—approximately \$10,000—will be substantially shrunk when the bullpen ghost—the Federal tax collector—gets his share.

Take Yogi Berra, star catcher on the Yankee team for example. He's a married man with two children. His annual salary from his ball club is around \$50,000. He receives extra income from endorsements, TV appearances and banquet appearances. Just how much that amounts to is only Mr. Berra's business.

But, purely for the sake of illustration, let's assume that his income totals \$75,000.

Since the Yankees won the 1956 Series, Yogi will receive a check for around \$10,000. Yet, sad to say the check won't be \$10,000. The Internal Revenue boys, according to a well-informed estimate, will take about \$6,500. So, as a personal reward for helping win and for starring in the Series, Yogi will be only about \$3,500 richer, not \$10,000 richer, as most of his fans believe. It's sad but true.

Taxpayers are asking, the Federation said, "Can't our present income tax systems be revised so as not to place a penalty on talent, skill, effort and industry? Can't the system be altered so as not to discriminate against achievement?"

"Now is the time to give thought to this problem. Now is the time to work on the solution—a solution which must insist that government operate efficiently instead of spending without regard for cost or need. Then not only will big league ball players like Yogi Berra be benefited, but just about everyone else in the country. The nation's prosperity will continue to expand and the jobs of tomorrow will be plentiful," the Federation concluded.

The annual Halloween Party, sponsored by the Men's Club will be held Friday evening, Oct. 26 at the church. This party is given for all children in the community under high school age. Children may come in costume if they like. The hour is from 7 to 9 p.m. Parents are welcome.

## New Plymouth Hardtop

The 1957 Plymouth Sport Coupe (hardtop) has a low silhouette, long wheelbase, more powerful Fury 301 engine and revolutionary new Torsion-Aire ride—said to be the most important advancement in automotive design since the introduction of independent front suspensions. Car pictured here is the Belvedere with Sportone trim.

Mr. and Mrs. Glen Cain of Waukegan and Mr. and Mrs. Joseph Strobal were dinner guests at the Charles Lucas home Sunday. The

event was Mr. Strobal's 83rd birthday.

without a  
dryer

..but why—when **ELECTRIC** dryers  
cost so little, are fume-free, fast and thrifty!

Just 6¢ will dry  
a big load electrically!

One of the wonderful things about having an electric dryer is that your clothes come out as fluffy and sweet-smelling as if you'd had them in the sun all day.

No musty basement odor. No fumes. Just clean, dry, radiant heat—like the sun gives.

All electric dryers are fully automatic (a good deal more dependable than the sun). Fast, too. You can dry a load of cottons in 25 to 30 minutes—and for only 6¢ worth of electricity!

You'll notice that all the "no vent" dryers are electric. Heat, lint and moisture just disappear down the drain. Your laundry area stays clean, dry and comfortable.

**Big Saving—ask your dealer about our Share-the-Cost Installation Plan.** It's the low-cost way to get the modern 100-amp home wiring you need for today's electric living appliances. The Plan is available to qualified home owners on terms up to 2 years.

**If you own an electric range, you save up to \$25 on a new dryer!** In fact if you have any 240-volt appliance your home probably has modern wiring already. So your complete, installed price on a new electric dryer will be less than any other kind.

## Highway-School Bus Laws Are Explained

When you are driving on a highway in either Illinois or Indiana that is not divided by an unpaved strip, the laws of both states require you to stop when a school bus stops, motorists are reminded by Chas. M. Hayes, president of the Chicago Motor Club.

"We have received complaints of violations from both parents and schools," Hayes said. "Illinois and Indiana laws provide that the motorist must stop for a school bus that is discharging or taking on passengers - no matter which way the bus is headed."

Hayes urged motorists, to be especially careful when driving in school zones, as well as when following or meeting a school bus. "We have about 55,000 safety patrol members to help protect children in the vicinity of their schools," he said. "But we must have the co-operation of motorists on the highways as well as in cities and towns. The motorist should be particularly careful during school hours."

Following is an analysis of current laws pertaining to school buses in Illinois as outlined by Joseph H. Braun, the Motor Club's general counsel:

—On state highways running through business and residential districts, the motorist need not stop. However, municipal ordinances may differ for streets that are not state highways.

—On state highways with traffic lanes divided by an unpaved strip, motorists need not stop for a school bus.

—On highways with no access to pedestrians, motorists need not stop for buses stopped in marked loading zones.

The Indiana law provides that: —Motorists must stop for halted buses on undivided highways.

—On divided highways motorists need not stop but should proceed with caution in passing school buses that have stopped.

In view of conflicting laws in Illinois and Indiana, as well as in other states, the Motor Club recommends that motorists come to a standstill whenever a school bus is stopped to discharge or take on passengers.

Comparing peacetime 1955 with wartime 1952, the following new highs are noted: total disposable personal income is up 14 per cent; per capita disposable income is up eight per cent; total consumer spending is up 16 per cent.

With employment at the highest point in history and at the highest wage rates ever, there is genuine truth in the statement that "labor never had it so good."

Record-breaking non-farm mortgage activity by the Eisenhower Administration in 1955 totaled \$28 billion which is 50 per cent higher than the \$18 billion total of 1952.

## Air Force Strength Less Than Million

The United States Air Force entered fiscal year 1957 with a total strength of 908,995 active duty personnel and 436,025 civilians according to the Secretary of the Air Force's Office of Information Services.

The active-duty military total consisted of 767,281 airmen and 141,714 officers.

This force at the beginning of the new fiscal year was back-stopped by 414,381 Reserve Forces and Air National Guard members who are subject to call-to-duty in an emergency.

Civilian strength had increased in twelve successive months last fiscal year, attaining a new high of 436,025... largest total since the Air Force became a separate service in 1947. Of this number, 351,373 are direct-hire civilians and 84,652 are contract-hire for the most part in overseas areas.

## Miss Joyce Kiehl Recent Bride of Frank Moran

Miss Joyce Kiehl, became the bride of Frank Moran recently at Faith Evangelical Lutheran Church. Miss Kiehl is the daughter of Mr. and Mrs. Ward Kiehl of Antioch and Mr. Moran is the son of Mr. and Mrs. Alvin Moran of Trevor, Wisconsin.

The Rev. R. P. Otto officiated at the double ring service during which the bride was given in marriage by her father.

The bride chose for her wedding a floor length gown of chantilly lace and nylon tulle over satin featuring a neckline band of illusion applied with lace and trimmed with sequins and pearls. Her bouffant skirt featured an over skirt of lace that fell into a chapel sweep. A crown of sequins and pearls held her illusion veil and she carried white chrysanthemums.

She was attended by three sisters, Miss Janice Kiehl, Mrs. Jean Smith and Mrs. Joanne Elfering, all of whom wore floor length gowns of crystallette which featured scoop necklines and long torso waists with bustles in back. Miss Kiehl wore a gown of gold and carried mums and autumn flowers, with Mrs. Smith and Mrs. Elfering wore green.

David Moran was his brothers best man while Harry Smith and Noel Elthering ushered.

Following a reception held at Pasadena Gardens the newly-weds left for a wedding trip in northern Wisconsin. They are now residing in Trevor.

Mrs. Moran is a graduate of Antioch Township High School and Mr. Moran is a graduate of Union Free High School at Wilmot, Wisconsin.

## Duane E. Weber Weds June Kern In St. Louis

St. Elizabeth's Catholic Church, St. Louis, Missouri was the setting recently for the marriage of Miss June Kern, daughter of Mr. and Mrs. J. W. Kern of St. Louis and Duane E. Weber, son of Mr. and Mrs. Clifford Weber of Lake Villa.

The bride wore a princess-styled gown of silk taffeta and imported chantilly lace, featuring a sabrina neckline. The bouffant skirt featured a large bow in back with streamers extending to end of train. Her illusion veil was held in place by a crown of seed pearls and lace. She carried a bouquet of stephanotis, ivy and white orchids. Miss Mary Pitra was maid of honor and she wore a ballerina length frock of white circle net, accented by a purple taffeta cummerbund and matching crown. She carried chrysanthemums and purple asters.

Bridesmaids were: Miss Sharon Weber, sister of the bridegroom and Miss Arlys Bouchard, Judy Erhardt and Martha Ann Erhardt. The attendants wore gowns similar to that of the maid of honor. They carried gold and copper chrysanthemums.

Robert Donarski was best man and Charles Harbin, Robert Rüd and Stanley Alm were ushers.

A wedding breakfast and reception were held in the Kern home. After a wedding trip to the Ozarks the newlyweds will live at Carbondale, where they are both students at Southern Illinois University. Mr. Weber is a graduate of Antioch Township high school.

## Janet Arlene Caddy Recent Bride of T. R. Otterman

Miss Janet Arlene Caddy, daughter of Mr. and Mrs. Elmer Christophersen became the bride of Thomas R. Otterman, son of Mr. and Mrs. Roy Otterman of Cross Lake, in candle light ceremonies at the Antioch Methodist Church, October 8th. The Rev. Howard C. Benson officiated.

The bride given in marriage by her father chose for her wedding a floor length gown of silk taffeta with scalloped neckline of seed pearls and sequins, with long tapering sleeves and chapel train of hand clipped lace, falling into a bouffant princess skirt. Her head piece a jewel trim pillbox motif held her silk illusion fingertip veil. She carried a cascade bouquet of white carnations and stephanotis.

Mrs. Harriet Christophersen was matron of honor while the Misses Patricia Finley and Margaret Schlegel served as bridesmaids. They wore waltz length chiffon gowns, styled with torso tucked bodice, with full skirt, with matching hats, and shoes. The bridesmaids carried pink and white carnations and the matron of honor carried carnations and rosebuds.

Miss Sharon Weber was soloist. A reception for one hundred guests was held immediately following the ceremony at Wesley Hall.

The bride is a graduate of Antioch Township High School and the groom is a graduate of Waltonville High School, Mt. Vernon, Ill. They spent their honeymoon at their new home on Grass Lake Road.

## Recent Brides

Miss Joyce Kiehl who became the Bride of Frank Moran, Trevor, at Faith Evangelical Church on Sept. 29th. The couple will make their home in Trevor, Wis.

The former Janet Arlene Caddy who was united in marriage October 6th, to Thomas R. Otterman, Cross Lake, at Antioch Methodist Church. They will live in their new home on Grass Lake Road.

## Women of the Moose Plan Mooseheart Trip

Plans for a trip to Child City of Mooseheart were made at the regular meeting of Chapter 735 Women of the Moose last Thursday. Fifty-one members were present.

The trip will be made on Wednesday, Nov. 7 in a chartered bus, leaving at 9 a.m. from the Pantry. Those who make the trip are asked to be at this location at 8:30 a.m. The return trip will be between 5 and 6 p.m. Lunch will be at the Mooseheart cafeteria.

Because the seating capacity of the bus is 40 persons, it will be necessary to make reservations with Mrs. Morris Verkest 957MI, Antioch.

Members are asked to bring their Christmas gifts for Children of the Moose Home at the next meeting. Those not attending the meeting may contact Mrs. Kit Avery, chairman of the Mooseheart committee. Candidates were balloted on and a birthday march was held for Pearl Anderson and Arvis Nelson.

The Women of the Moose are sponsoring a Brownie troop. The Halloween costume dance will be held Saturday at the Moose home.

Mr. and Mrs. John Lucas and sons Jim and Fred have sold their home on North Main street, Antioch and are now living at 3394 East 87th Street, Long Beach, California. Mr. Lucas is now employed at Paramount, California.

Miss Doris Petersen was honored guest at a miscellaneous shower given by Mrs. Nancy Barth, Miss Gail Deitrick and Mrs. Mary Haviland at the Barth home in Lake Villa, Tuesday evening. Miss Petersen will become the bride of Robert Halton on Nov. 10.

**House Warming for Petersens**  
More than 150 friends of Mr. and Mrs. Einar Petersen called on them Sunday in congratulating them on their 25th wedding anniversary, and wishing them enjoyment of their new home on Lake Antioch.

## Emmons School Girl Scouts Enjoy Picnic

The members of Girl Scout Troop No. 58, Emmons School, enjoyed a pancake supper in the school yard. Each Girl Scout fried her pancakes on a tin can stove and buddy burner. The girls had spent the past two meetings constructing their own stoves.

On Oct. 30th at 3:30 P.M. the Emmons School Girl Scout troop will hold a Halloween party at the school with the newly organized Brownie troop as their guests. There will be games and refreshments.

The new Brownie Leaders are Mrs. Maynard Schneider and Mrs. Homer Toft. Mrs. Eugene Geiger serves on the Troop Committee. The newly elected officers of Girl Scout Troop No. 58 for the new term are Louise Olson, President; Collette La Plante, Vice-president; Barbara Balsamello, Secretary; Bonnie Schneider, Treasurer, and Judy Alm, Publicity.

The Girl Scout cookie sale is now under way. Do your bit to promote further Girl Scouting in Lake County by supporting this worthwhile project.

Mrs. Betty Highgate Clark, Wauconda, former resident of Antioch was elected to the office of Associate Grand Matron of Illinois Order of Eastern Star on Wednesday, October 3, and was installed into that office with impressive ceremonies at Medinah Temple the same evening.

Antioch Assembly Order of Rainbow for Girls initiated Mary Wertz and Joyce Schimmel in formal initiation ceremonies, at a meeting held at the Masonic Temple, Monday evening.

Mr. and Mrs. David Switzer and daughters Linda and Laurie, were guests at the home of Mr. and Mrs. Howard K. Gaston, Sunday.

Miss Iva Baldwin and Miss Edith Seegert of Elgin, were Sunday guests of Mrs. Frank Runyard at her Channel Lake home.

## LOCAL RESIDENT ATTENDS WHEATON COLLEGE HOMECOMING

Mr. and Mrs. Louis F. Chenette of Route 4, Antioch, Illinois attended the thirty-fourth annual Homecoming of Wheaton college, Wheaton, Illinois, held October 12, 13 and 14. They are members of the class of '53.

Inaugurated in 1923, Wheaton college homecoming festivities have drawn increasing numbers of alumni to their alma mater each year. Approximately 3400 visited the Wheaton campus from many parts of the country and several foreign countries.

Highlights of this year's events included the dedication of the Wheaton athletic field and the naming of the men's dormitories in honor of three of the five young men who were martyred in the Ecuadorian jungle mission field last year. The new athletic field with its fine cinder track and permanent grandstand seats was named for T. Edward McCully, Wheaton '49, who was an outstanding football player. The dorms were named Jim Elliot and Nate Saint halls, both young men Wheatonites of '49 and '50.

Ground was also broken for a new 25-bed infirmary for the campus, a gift of college friends, which is scheduled to be erected during this next year.

More than 10,000 members constitute the Wheaton College Alumni association which is world-wide in representation. Wheaton college is a liberal arts and science college located 25 miles west of Chicago.

## W.S.C.S. LAKE VILLA CHURCH TO SUPPER-BAZAAR

The Woman's Society of Christian Service of the Community Methodist Church of Lake Villa will hold a bazaar and buffet supper on Saturday, November 3, from 5 to 7 P.M.

Extensive plans are being made and executed for the sale of rugs, fancy work, aprons, and toys and novelties. Also featured will be an old fashioned, country store for miscellaneous items. The youth fellowship of the church will have a home-made candy booth. Proceeds will go to the building fund.

## T. B. OPEN HOUSE

The public is invited to attend an open house at the Lake County Tuberculosis Sanatorium, Belvidere Street, on Sunday, October 28, from 2 p.m. to 5 p.m. according to Dr. Charles K. Petter, Superintendent and Medical Director.

Staffs of the Sanatorium and of the Lake County Tuberculosis Association will be guides. Punch and cookies will be served. Hostesses will be members of the Lake County Sanatorium Women's Auxiliary, according to Mrs. E. W. Hollmann of Waukegan, President of the Auxiliary.

## CELEBRATES BIRTHDAY ANNIVERSARY

Clancy Lux, six year old son of Mr. and Mrs. Frank Lux, entertained twelve little friends at his home Saturday, in celebration of his birthday anniversary. His dad showed interesting movies and games were played during the afternoon. Lunch was served including a large birthday cake and ice cream.

## Democrats Planning Rally at Fox Lake

FOX LAKE—West Lake county Democrats are planning the biggest party rally ever held in their area for Sunday, Nov. 4, when U. S. Senator Paul H. Douglas will address a last-minute election rally at Grant High School.

The affair is sponsored by a volunteer committee of which Eugene M. Fisher is chairman and Keith D. Bitner vice chairman.

Anthony Sciacero of Lake Villa, northwest district Democratic chairman, and all precinct committeemen of Antioch, Grant, and Lake Villa townships will meet at Fox Lake Friday, Oct. 26, to assist in final plans for the rally.

An automobile parade will precede the speaking. All Democratic candidates for county posts, for the state general assembly, and Congress, will be presented; Fisher announced this week.

## NEED FOR USED WHEEL CHAIRS

A request has been issued by the Crippled Children's Aid Association of Lake County for any used wheel chairs or crutches. The Association maintains an equipment pool and these articles are loaned without charge to any person in need of them.

Anyone having such equipment that they are willing to donate may call Mr. William Hattendorf at Antioch 515-W. Such articles will be picked up by the Association.

## Robert W. Terry, 18, Completes Basic Training

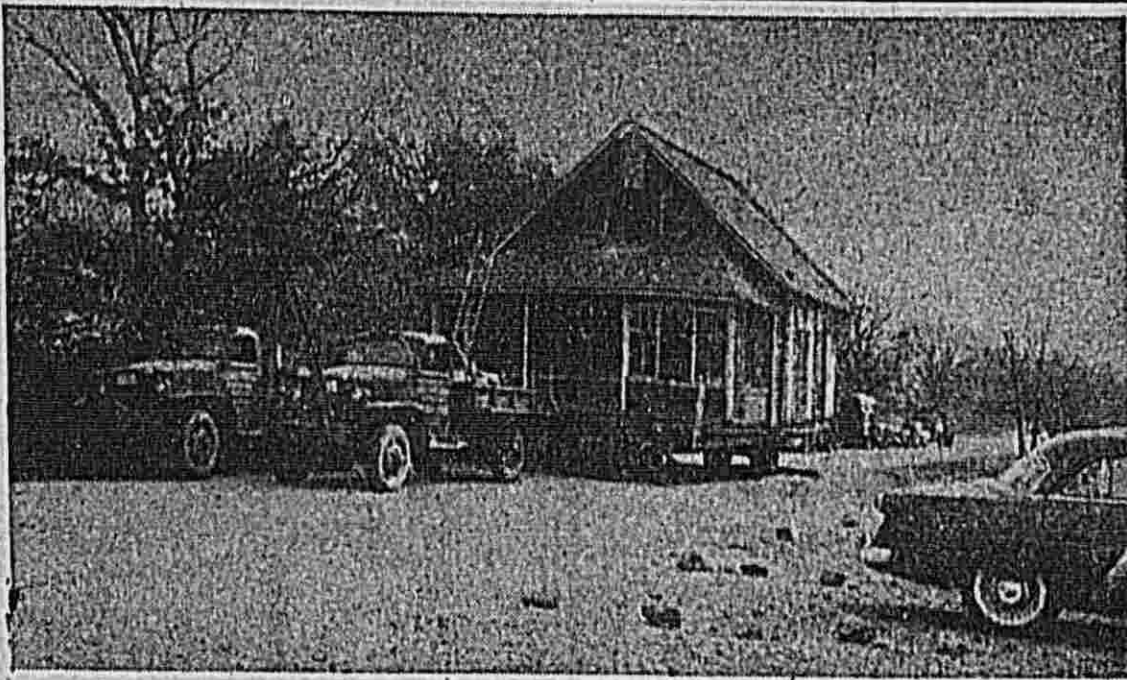

Airman Robert W. Terry, 18, son of Mr. and Mrs. Wm. F. Terry, Rt. 2, Antioch, Ill., has completed the first phase of basic military training at the "Gateway to the Air Force," Lackland AFB, San Antonio, Tex.

He is now taking part in the advanced basic training course there, following which he will qualify for assignment in one of the Air Force's 43 major career fields.

While at Lackland the new enlistee completes the transition from civilian to airman through a program which includes processing, aptitude testing, physical conditioning, survival and weapons training, and varied classroom studies ranging from citizenship to military customs and courtesies.

Like the USAF Officer Candidate and Pre-Flight schools, also located at Lackland, basic military training prepares graduates for specialized training and on-the-job assignment.

## House Moved at Channel Lake

This house, in the process of being moved from the southwest shore of Channel lake to Sox's subdivision at the north channel on Lake ave., is one of two purchased from the Channel Lake school board by H. S. Polinski. George Palaske is doing the moving.

## Lake Villa P.T.A.

Sponsors Concert, Fri.

The Lake Villa P.T.A. will present the Frank G. Hough Co. Chorus of Libertyville in a fund-raising concert on Friday, October 26, from 8 to 10 P.M. in the School gymnasium. Refreshments will be served after the concert.

The Frank G. Hough Co. Chorus, under the direction of Al Carlquist, will give a fast-moving, colorful program. Tickets may be secured at the school office or from Mrs. E. R. Prossie, Cedar Avenue, Lake Villa.

## Tim O'Connell Returns

From Trip to Ireland; Glad to Be Home Again

Tim O'Connell, clerk at the Reeves Pharmacy, arrived home by plane last Friday from Cork, Ireland, where he spent five weeks visiting relatives. It wasn't the Ireland that he knew 47 years ago when he left his home there for America.

"It was so strange," said Tim, "You could have put me down in the middle of Greece and I would have found my way about as easily as I did in Ireland. I didn't even recognize my birthplace."

After visiting his brothers, John and Cornelius O'Connell and his sister, Mrs. Nellie Griffin, O'Connell made a tour that took him through the southern and western parts of England—London, and Wales—and various points in Ireland.

O'Connell said he was glad to be back home in the United States.

## Water Safety Program To Begin November 7

The Lake County Chapter, American Red Cross, will begin a 10-week water safety instruction course at the Waukegan YMCA pool Nov. 7, according to Robert Montour, director of first aid and water safety.

Montour said all swimmers 18 years old or more who hold a senior lifesaving certificate are eligible for the classes. A coeducational course, is open to primarily Lake County residents, but anyone who is eligible and wants to attend may.

Montour pointed out that there are many paying jobs for water safety instructors each summer at camps, beaches and clubs in Northern Illinois and Wisconsin. He said the course is ideal for students who hope to acquire summer jobs between school sessions.

Classes will be conducted on Wednesday evenings beginning at 7:30 P.M. Montour said persons interested in attending the classes can register with him at the Lake County Chapter offices, the corner of Julian and County Streets, in Waukegan, or call Ontario, 2-4044.

## D. M. Krieger in Hospital

D. M. Krieger, who owns and operates a farm on Crawford rd., was taken to a Kenosha hospital recently suffering from a heart ailment. His son, James Krieger, has been granted a leave from the Air Force base at Laon, France, to be at his bedside.

## Urge Caution On The Streets During The Halloween Holidays

Children are expected to start their rounds of Halloween parties and "trick or treat" forays well in advance of Oct. 31. This makes the last half of the month a time for extra safety precautions both at home and while driving, warns the Chicago Motor Club.

The Club reminds motorists that in the excitement of their revelry children may dart across streets from between parked cars. But even if they remember their safety rules, masks hamper the vision of the little ghosts and goblins, making the season a time for special vigilance.

At home, the Club president, Charles M. Hayes advises, parents to make sure that children are properly dressed before leaving the house. School and community costume parties help to keep the children off the streets on Halloween. The Club urges civic groups to plan appropriate neighborhood events for their children.

But to be on the safe side, the Club president pointed out, children leaving the house at night during the Halloween season should:

- Wear something white.
- Walk on left side of roadways in rural areas.
- Avoid making quick moves into streets.
- Make sure that masks don't restrict vision.
- Cross at lighted intersections.

## Book Named Graduate Fellow

Charles Bock, son of Mrs. Harold Fillweber of Antioch, and a graduate of Antioch Township High School, has been appointed an under-graduate fellow for the current academic year at Miami University. He and 28 seniors share the honor. They will work closely with a sponsoring professor in an attempt to gain insight into a professor's preparation, responsibilities, opportunities, privileges, standards of living for faculty families, and the prestige and importance of a professor. The aim is to stimulate more interest of qualified students in the teaching profession.

## Haircut Price to Ascend

Antioch barbers are giving notice that on Monday, Nov. 5 the price of haircuts will advance 25 cents. Haircuts for adults will be \$1.75 and for children \$1.25 except on Saturdays when the price for children will be \$1.50. These are the same prices that are charged in Waukegan.

## Gram Addresses Lions

The Federal Bureau of Investigation is merely an investigating agency, not a Gestapo, Arthur Gram, special agent for the FBI told in the Chicago area told the Antioch Lions Club at its dinner meeting Monday evening at Smart's Country House.

## Brother Manages Detroit Team

Jack Tighe, who recently was named manager of the Detroit Tigers, is a brother of Mrs. Orville Yeager of 1084 S. Main st. The Yeagers moved to Antioch last winter from Lake Forest.

## Mrs. Betty Webster, 60, Dies at Home of Son

Mrs. Betty Webster, 60, died Thursday at 8:30 p.m. at the home of her son William Webster, North Shore Loon Lake, following a lingering illness. She was born July 28, 1896 in Chicago, she made her home in Berwyn until moving to Antioch eight years ago. She was a member of the Bohemian Leaves Lodge. Survivors are her son, William, three daughters, Mrs. Anna Uhler, Mrs. Marie Hopf, of Cicero and Mrs. Stella Bozic of Antioch and a brother James Souhrada of Chicago. She was preceded in death by her husband William and a brother Frank. Services were held at 11 a.m. Saturday at St. Peter's Church, Antioch.

## Methodist Children

To Collect Aid Fund For Needy, Halloween

Members of the Antioch Methodist Church Sunday school will ring doorbells next Wednesday evening, Halloween, asking for money to buy food for the children of the world instead of "tricks or treats" for themselves.

This program, which is sponsored by the UNICEF (United Nations) each year collects funds which provide food and medical supplies for impoverished children in the countries under its sponsorship.

The Sunday School children will turn in their collection boxes at a party for them at 7 p.m. Friday evening, Nov. 2, at the church. The ladies of the Evening Circle are planning the affair.

## Retires From Oregon Bank

Loy W. Rowling, former Antioch resident, was given recognition upon his retirement from his position as vice president of the First National Bank at Eugene, Oregon. The bank called Friday, Oct. 12 Loy Rowling Day and served free coffee and punch in celebration of Mr. Rowling's 65th birthday anniversary. He had been with the bank 39 years.

## Luisa Vos Home

Luisa Vos, the daughter of Mr. and Mrs. Edmund Vos, 576 North Main Street, Antioch, is spending the weekend of Oct. 19 - 21st at home, on a brief holiday from her studies at Ferry Hall, the girls' private boarding school in Lake Forest. With her is a house guest, also a member of the junior class at Ferry Hall—Beth Adaskavich of Shelby, Montana. The girls recently helped to entertain Mr. and Mrs. Vos at the school's annual Parents' Day.

## Seniors Take Scholarship Exam

Five high ranking seniors took the National Merit Scholarship Qualifying Examinations at the high school on Wednesday. They are Richard Srch, Richard Rihimaki, Dave Valkenaar, Judy Horton and Rosa Mena. Tests will be sent to Princeton, N. J. where they will be scored and entered into national competition.

## Extra Police for Halloween

Extra police will be on duty in Antioch next week with the approach of Halloween. Smashed pumpkins on Main st. Tuesday night gave evidence of the first appearance of Halloweeners.

## Grade School Children...

(continued from page 1) their classrooms to doff their masks, and partake of light refreshments served by the home room mothers of the P.T.A.

During this time the seventh grade will have its party and refreshments on the second floor of the school, and the eighth grade likewise will have its party and refreshments in the school cafeteria. Home room mothers will assist.

The custom of the two sponsors awarding prizes for costumes and arranging the Halloween parade has become tradition. For many years a theater party at the Antioch theater followed the parade at night, but this was dispensed with when the crowd became too large

for the theater. The daytime parade was substituted so that the children would be spared an evening trip to the school and could return home at the regular time on the bus.

## Sequoits Dehorn Rams..

(continued from page 1)

Deppe to Jerry Huml moved the ball to the 18 and a pass from Deppe to Roger Plechaty brought the second touchdown.

Grayslake carried the ball to the Antioch one-yard line in the third period but was halted at that point. They escaped a shutout when Joe Geraci spilled the Antioch ball carrier in the end zone for a safety.

Antioch's final touchdown came in the fourth period when a fumble was recovered on the 19-yard line, moved to the 2 on line plays and moved to a TD on Deppe's quarterback sneak. Srch converted from placement.

Antioch had the edge on first downs 13 to 6 and 277 to 214 yards on scrimmage.

Deppe completed six passes for a total gain of 127 yards. One pass was intercepted and four were incomplete.

Coach Kessenich said that the Antioch line did a good job. Bill Hart took the place of Bill Barnstable at left half, and while the injured Barnstable was in uniform, he was not needed.

Palatine, whom Antioch defeated badly two weeks ago there, beat by a score of 12 to 0 the Grant Bulldogs who beat the Sequoits 7 to 6, which shows how much better the Antioch team has become.

Conference standings at the close of last week-end's play:

Glenbrook	4	0	1
Grayslake	3	1	1
Antioch	3	2	0
Palatine	3	2	0
Wauconda	3	2	0
Grant	2	3	0
Ela	0	4	1
Fenton	0	4	1

In the preliminary, the Antioch Frosh-Soph team lost to the Grayslake underclassmen 14 to 19. The lead changed hands five times. Antioch was the first to score and the young Rams came right back and tied the score. Then the Sequoits surged ahead and led at the half 14 to 13.

It appeared that this score was going to stand, but in the last quarter, with a fourth down and 16 yards to go, the Grayslake quarterback threw a pass that was batted by Behrens on the defense, but unfortunately it fell into the hands of an eligible Grayslake player in the end zone for a touchdown.

## Freshmen Win From Wauconda

The Antioch freshman team won from Wauconda Tuesday evening 37 to 6. Don Pyles, Papoose fullback made three touchdowns, one on a 45-yard sprint; Dick Gudeon, half back, scored two touchdowns, one on a 56-yard run, and another for 48 yards, and Don Sinclair quarterback scored one touchdown.

**Charged With Drag Racing**  
Three Antioch area young men were charged with drag racing on Rte. 50 at Paddock Lake in Kenosha County recently.

Gerald Risch, R.F.D. 1, pleaded guilty in Kenosha Municipal court and his license was suspended. David A. Moran, 18, Trevor, Wis., pleaded not guilty and will have his trial tomorrow. Donald Marks, 17, was the third defendant. Kenosha police said that Moran was astride a motorcycle and the other two used cars in the race.

For a company breakfast, try this as a gay beginning: Cut grapefruit into halves, then remove the pulp from the shells. Then mix with crushed pineapple. Spoon the mixture back into the shells and garnish with a square of bright jelly.

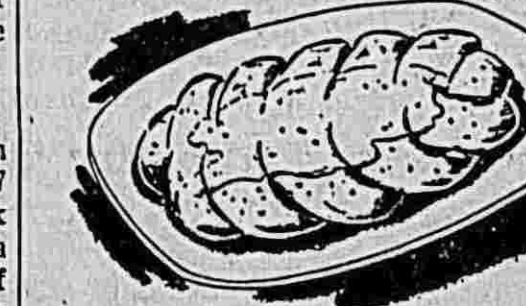

In these days of calorie-counting, we've got to be careful not to deprive ourselves and our families of the energy foods we all need every day. A good job at work—at school—at home—is vitally dependent on plenty of energy.

There's no better (or more satisfying) source of energy than good, nutritious home baking. And this means energy - full, protein-rich Ceresota flour. Because Ceresota is UNBLEACHED, its natural goodness makes for fuller flavor, better texture, and finer appearance in your baked goods—every time.

Remember, among all leading brands, Ceresota is the only UNBLEACHED, NATURALLY WHITE flour. Yet it costs you not one penny more!

These cool mornings can really be cheery with "Swedish Braided Coffee Cake." You can bake this different breakfast surprise in the evening—then warm and serve in the morning.

## Swedish Braided Coffee Cake

**Ingredients**  
1 cup milk  
1/2 cup sugar  
1 teaspoon salt  
2 small cakes yeast (or 2 pkgs. dry active yeast)  
2 eggs  
1/2 cup butter or shortening  
1 teaspoon cardamom (ground)  
5 cups Ceresota unbleached flour

Scald the milk, add sugar, salt, and butter. Cool to lukewarm. Add yeast and stir until dissolved. Add eggs and mix. Add flour and cardamom and mix well. Place on floured board and knead until smooth. Cover and let rise in warm place until doubled in bulk. Punch down—let rise again until light. Divide into 3 equal portions. Roll each into a 14" long even strand. Braid gently and loosely beginning at middle. Work toward ends. Do not stretch. Place on greased cookie sheet. Cover and let rise until light. Brush on beaten egg and sprinkle with granulated sugar. Bake in 350° oven for about 40 minutes.

## Lake County Residents Buy \$808,000 In Bonds During Month of Sept.

Lake County residents purchased a total of \$808,799 in Series E and H United States Savings Bonds in September, 1956, according to word from the Treasury Department received by James E. Brown of Waukegan and Philip L. Spedel of Lake Forest Volunteer Savings Bonds County Co-chairmen.

Illinois sales totaled \$28,384,055, in both Series for the month, to account for 8.5% of all sales in the nation. National sales were \$334,785,000.

The Illinois quota for this year is \$509,800,000 of which 71.5% has been reached in the first nine months.

The open season on wild geese in Southern Illinois will open Nov. 5 and run until Dec. 15. Start of public shooting at the Union County and Horseshoe Lake areas will depend on the number of geese there, and will be announced a few days in advance, according to Director Glen D. Palmer of the state Department of Conservation.

No shooting permits will be issued in advance. Hunters must appear at the permit stations and take their chances in public drawings.

Man with the Follow Through

Like golf, good insurance protection requires the follow through. You don't want just sales service. The INDEPENDENT Agent or Broker is the man with the "follow through". He is not just a "salesman" for any one company but can place your business in one or more sound capital stock companies. When a claim comes, his independence enables him to "follow through"—for you!

## PLYMOUTH

Growing up can be hard on Dad! The telephone plays a big part in a youngster's life. Every father knows that. But sometimes "what Joe said" and "what Sally did" can be annoying. What's a father to do? Give the youngsters an extension phone of their own, of course. You'll appreciate the privacy it gives them! (P.S.-And so will they.) Only a few cents a day, too, after a small installation charge. Call the telephone business office and order your extension phones today. ILLINOIS BELL TELEPHONE COMPANY.

## Health Talk

## Sprains Are Painful

Sprains are among the most common injuries to the human body. They are painful and often require weeks to heal completely. A sudden movement of the body, or a fall, may produce a sprain by stretching or tearing a ligament or muscle. If the sprain is severe, a bone may be broken. That is why x-ray films are usually recommended, the Educational Committee of the Illinois State Medical Society points out in Health Talk.

The body is composed of bones, organs, muscles, ligaments, joints, tissue and skin. The entire structure emerges from cells which multiply and divide to form their respective parts.

Each bone and joint is surrounded by ligaments and muscles, which form a vast network of connective tissue throughout the body. They not only protect the joints and various organs of the body, but also help to keep it supple. They are tough fibrous tissues. When, for any reason, excessive pressure is placed on them, a sprain occurs.

While the wrist and lower back may be involved, the ankle is most susceptible to sprains. If the protective ligaments or muscles are torn or pulled out of their attachment into the bone, blood seeps into the joint, producing swelling and considerable pain.

Sprains may occur while walking, stepping off a street car or a curbstone. They may occur to the wrist in a fall or while pushing or pulling a door or a piece of furniture. They may develop in the lower back when lifting objects, or even when picking up or raising something from the floor. Mothers are prone to sprains when they bend and lift small children.

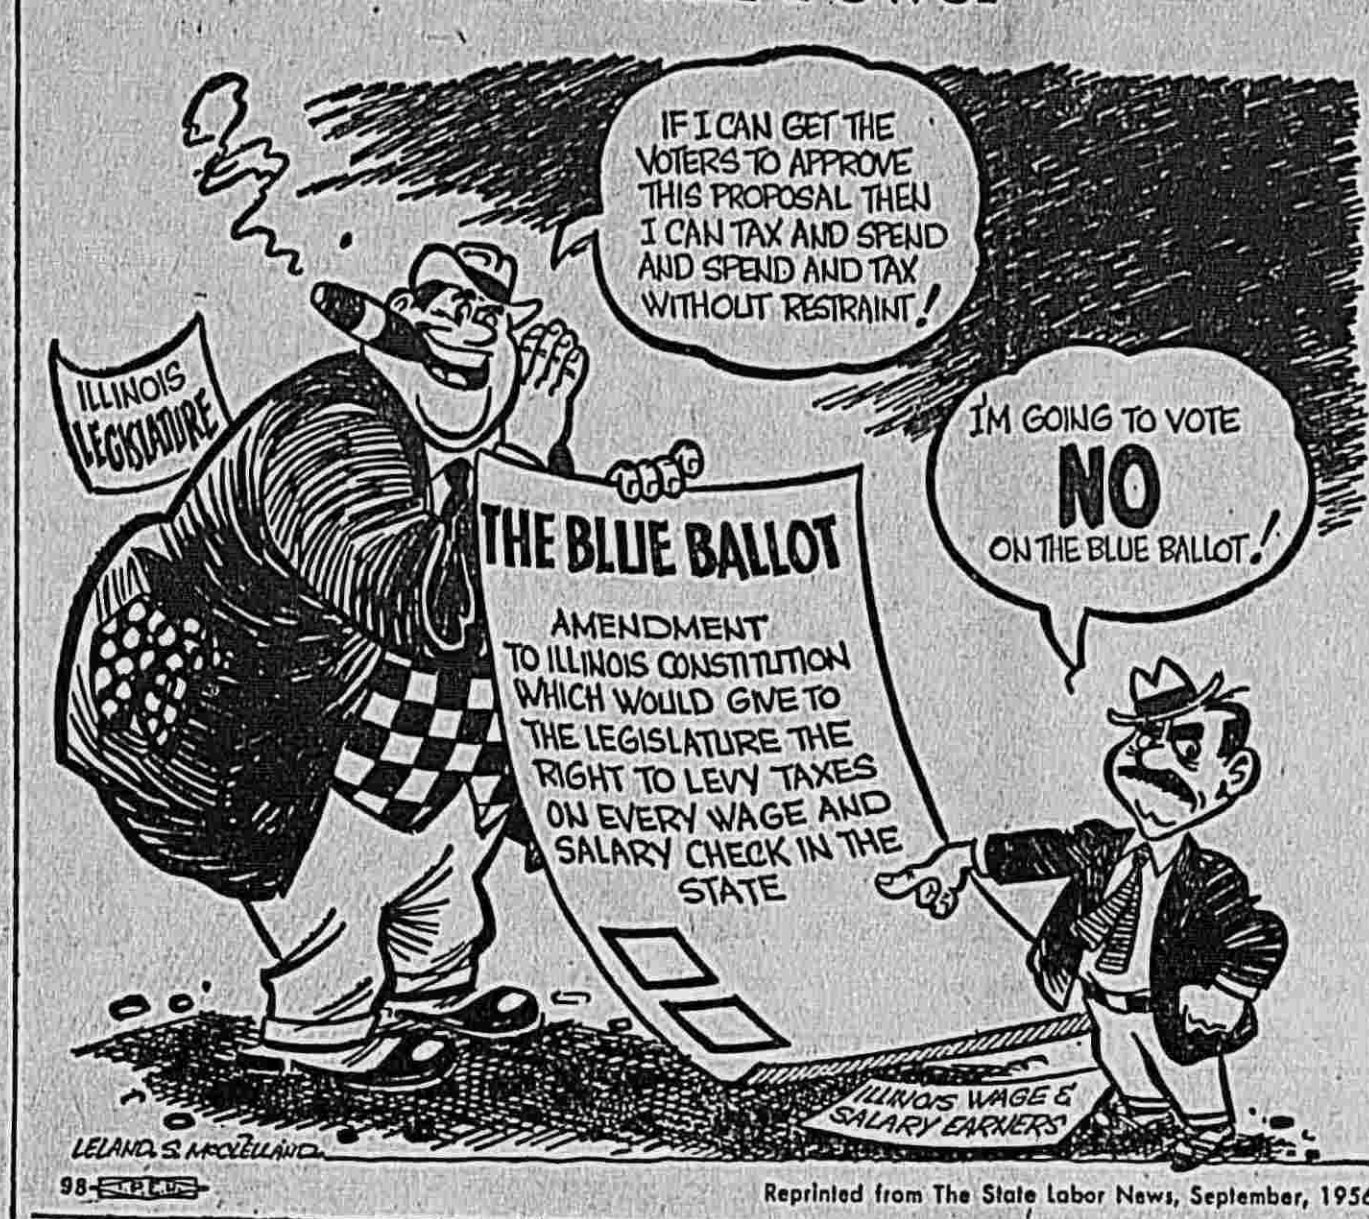

Athletes are commonly affected by sprains, particularly in football when the body is twisted and jerked in running play. The injuries are not limited to football, however, since they occur in other sports, such as basketball, baseball and tennis, when the body is required to move quickly and, frequently, off balance.

Sprains should not be regarded lightly. They are painful. And, if not permitted to heal properly, can be forerunners to subsequent damage. This is particularly true in the young child, since injury during the growth period could result in great harm.

Rest of the affected part is essential to restore the fibers to their normal function of protecting the joint. Sometimes this healing process takes place in two weeks. Again, if the sprain is severe, it may require many weeks, depending on the severity of the injury.

Usually, the sprained area is bandaged to keep it immobilized, although in some sprains, a certain amount of movement is beneficial, according to modern therapy. Since

moving the injured wrist or ankle ordinarily produces pain, the physician may deem it necessary to inject an anesthetic. And because some sprains are sufficiently serious to cause small bones to fracture, x-ray studies should be employed.

Lack of rain has made Illinois fields and woodlands dry as tinder. Forestry fire control men now have an emergency patrol and radio system in Jersey, Pike, Greene and Calhoun counties. Some sections of a

few state parks have been closed to public use.

Director Glen D. Palmer of the state Department of Conservation issued an appeal for everyone to be careful in handling anything that might start a conflagration.

An announcement of decisive importance  
to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

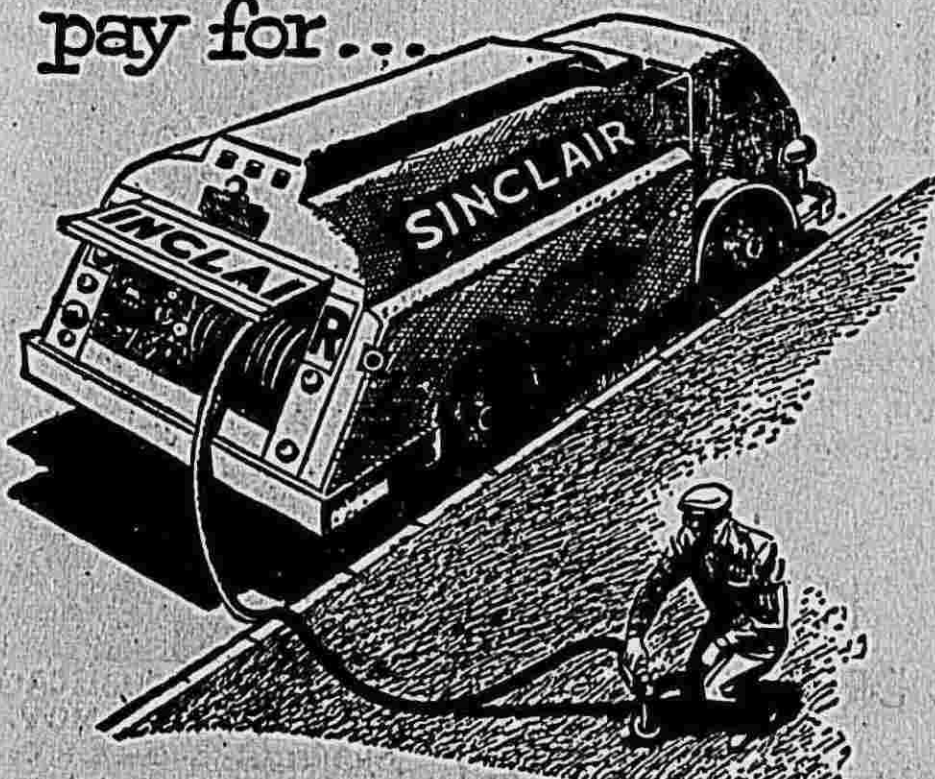

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

#### Cub Scout Awards Made October 19th

Thirty-nine badge awards were made last Friday, October 19, at a regular meeting of the Cub Pack No. 92. The meeting was held at the grade school, and a large crowd was present to witness the presentations.

Badges were presented by Lee Ipsen, cub scout master and James Brosky, assistant cub master.

Cubs receiving Bobcat pins were Michael Alsing, Anthony Badame, James Barnstable, Thomas Blackman, Douglas Hellstern, Bard Ipsen, James Lubkeman, Arthur Meierdick, Robert Schmitz, James Steffenberg, Donald Strang, Larry Smith. Wolf Badges were awarded to William Elsey, Dale Crandall, Jim Edwards, and Kenneth Nelson.

Wolf Gold Arrows were given to Dale Crandall, William Elsey and William Carrick. Wolf Silver Arrows were received by Terry Eckert, Raymond Westhoff, John Delaney and Dick Palmer. Donald Woods was given a Bear Badge. Donald Wood, Bruce Dalgaard, Ronald Hellstern, Lonn Ipsen, Michael Kennedy and Arthur Hawkins got Bear Gold Arrows.

Bear Silver Arrows were presented to Bill Eckert, Michael Kennedy, Ronald Hellstern and Bruce Dalgaard. Lion Badges went to Ernest Westlund and Donald Blackman, a Lion Gold Arrow to Ernest Westlund, and a Webelos badge to Donald Blackman.

Scout dignitaries present were Boy Scout Master Jim Horton, Mr. Jesse of the North Shore Area Council, and Robert Taylor, who will head the annual drive for Scout funds this year.

Parents of Den one and two served lunch after the meeting.

#### Warm, Calm Weather Makes Poor Hunting In Antioch Lakes Area

A few geese are flying over the Chain of Lakes area on their way south, but it will take colder weather and a storm to chase the ducks down this way from the north, Antioch hunters say.

Duck hunting hasn't been very good thus far. The only ones in any numbers are the coot, or mud hens which local hunters won't waste a shot on.

Clarence Olson, Myrus Nelson, Robert Jensen, and Charles Wertz, of Antioch; Leonard Lubber of Arlington Heights, and Capt. Frank Harper of Great Lakes, returned Sunday evening from a Canadian hunting trip, reporting that they brought back six deer, many ducks and fish.

Southern farmers who keep chickens find that whitewashing the roofs of their poultry houses tends to lower the temperature inside by several degrees.

#### Deep Lake

Mrs. Millie Luehr, Correspondent  
Ellet 6-4946

We welcome to Deep Lake, Mr. and Mrs. Biarsen, newlyweds. They are living on Second Ave.

In conjunction with the auxiliary meeting a surprise baby shower was given to Ann O'Quinn. She received many beautiful gifts for which she was very thankful.

The officers elected for the coming year of Deep Lake Assn. are A. Sletten, pres.; R. Russ, vice-pres.; A. Gratton, Sec.; F. Luehr, Treas.; Ald. B. Felman, 1st ward; J. Meyers, 2nd ward; G. Axen, 3rd ward; E. Olson, 4th ward. Auditors, A. Fischer, 1st ward; E. Larson, 2nd ward; E. Cromie, 3rd ward; W. Pesek, 4th ward; H. Segler, Lake Commissioner; Ragnar Johnson, Health Commissioner, and Arvid Arvidson, Road Commissioner.

Luncheon guests of Millie Luehr Tuesday were Pat Stark, North Chicago, Rosette Vaicey, Waukegan, Tillie Elmer, Chicago, Helen Voss. Later callers were Florence Larson, Sally Groat, Canasta was in session all day.

Mr. and Mrs. Joe Galeske are combining business and pleasure through Wisconsin and Minnesota.

Mr. and Mrs. Art Sletten entertained his mother and two brothers and sister-in-law here from Minnesota last week-end.

Contrary to dire Democrat predictions of "runaway inflation," the Eisenhower decision to decontrol wages, prices and materials was followed by stable prices and increased national output.

#### CENTRAL'S FLOOD LIGHTS COMPLETED

On Friday night, October 26, Central High School hosts Port Washington in a regular Braveland Conference game, initiating the new type of athletic field lighting, resembling the mercury vapor, and being the first of its kind in Wisconsin. The Steinbach Electric Service of Bristol and the Interstate Electric Sales of Waukegan were the installation contractors. The Wide-Lite floods have aroused considerable interest because of superb illuminating efficiency at low operational cost.

Kick-off time is at 8 o'clock and Central's band will perform during the half. The adopted conference admission prices will be 75c for adults and 30c for grade school students.
